Provide Greater Access to STEM Education to All Students

Arielle R.

Tutor
San Antonio Math Include

Arielle is a part of the class of 2022 at Basis Shavano. Despite not being a fan of math, she knows the importance of STEM education and is excited to help kids through classes she once struggled through. Aside from school she is a part of HOSA, theatre and activism clubs. In her free time, she enjoys playing guitar, overanalyzing movies, and obsessing over Paramore.
