

Shabbat Shalom!
Erev Shabbat and Shabbat morning services

The Ritual Committee invites members of Temple Beth El to participate in leading services on Friday night and Shabbat morning.

***Please sign up before noon on Friday**

Please insert your name below.

The Friday night service can be led by one person or several people together. If a group is leading, please insert the names of all leaders. The leader or another person could also do a D'var Torah.

The D'var Torah for Friday night or Shabbat morning should be 5 minutes or less.

Shabbat morning

This service will usually be led by several people. If you would like to lead part of the service, but don't feel prepared yet to lead an entire section, please add an extra row and add in what you would like to do. For example: reciting a couple of the Psalms in P'sukei de-Zimra; leading the Sh'ma; singing of Adon Olam or Yigdal at the end of the service.
