Important Notes:

- **School policy regarding students leaving from parades/competitions** (vs riding the bus back to Cumberland):
    - **ONLY** legal parents/guardians may take their own student(s) home with them.
    - **Students MAY NOT ride with another adult, EVEN IF THEIR PARENT/GUARDIAN GIVES PERMISSION. This is a school policy, not a band policy. There will be NO EXCEPTIONS.**
    - Parents/guardians must meet their student(s) at the **END** of the parade where the buses will be loading and **SIGN THEM OUT** with the attendance chaperone. Students MAY NOT go back to the parade route to find parents/guardians. If the parent/guardian is not at the end of the parade route to pick up their student(s), the student(s) will be riding the bus home.
    - Please do not put the band directors or chaperones in an awkward position of having to tell students/parents that the student(s) cannot wait for parents after the buses depart.
- AFTER the parade/competition:
    - Help unload everything when we arrive back at the school!
    - Follow all directions for uniforms prior to dismissal.
