### **Leadership Application 2025-2026**

MMS is looking for fun, creative, independent, and hard-working 7th and 8th grade students to join Leadership next year. Leadership is a collaborative cohort that works year-round to create activities that bring students together with school spirit, competitions, socials, spirit days, and noontime activities. There is a lot of additional responsibility, which includes 10 mandatory community service hours per trimester. This is specifically during after-school hours, setting up socials and cleaning up, attending sports events, teacher gratitude days, etc. This class cannot operate without these community service hours. Every Leadership student will be required to participate in socials, spirit days, noontimes, spirit weeks, etc. This includes wearing the appropriate attire for the events as a weekly grade, and socials will be counted as a project grade.

Leadership, which also includes the Student Body President, Vice-President, Secretary, and Treasurer, will conduct weekly meetings to discuss the budget, fundraising, and upcoming events and activities. Students who are elected to these positions will automatically be in Leadership.

Students interested in Leadership must have a minimum of 3.0 (currently and throughout Leadership), not have any suspensions, and complete a Google leadership form (PT1) regarding their interest in Leadership and teacher recommendations (PT2).

#### **Applicant and Parent/Legal Guardian Information:**

I understand that I will be required to volunteer 10 hours per trimester during after-school events throughout the school year (sporting events, Cookie Dough Fundraiser, setting up and cleaning socials, teacher appreciation days, etc.). The typed signature line below is that of the parent or legal guardian. Throughout the school year, students will purchase 3 additional t-shirts at cost for special events. If cost is an issue, a shirt will be available. I understand that I must share this form with the required signatures to Mrs. Elliott ([selliott@lvjUSD.org](mailto:selliott@lvjUSD.org)).
