WHERE TO START? Read below!

FAQ: <https://www.buildablend.com/faq/> Link

1) Pick your Tea - Our Specialty is Loose Leaf Tea

- [Custom formulations](#)
- Our existing Teas/Blends be in Traditional or our Wellness Blends
- Choose from our Wellness and stock teas
 - Organic (certified for 50 lbs or more per tea/sku)
 - Or we can quote standard teas and blends as well

2) Pick your packaging

- Bulk - ships to your facility to package and/or distribution
- Loose or in pyramid sachets/bags IN PLA, Iced Tea filter, 3 side seal, or NON-Woven/Certified Plastic Free options

KEEP SCROLLING DOWN

- Outer packaging - pouches are best entry point for start up
 - Tins and paper canisters have 1000 starting MOQ (minimum order quantity) per tea blend/sku

- 3) Technical Specifications:** Most all we do is customized to suit YOUR SPACE, YOUR CHANNEL, YOUR BRAND, YOUR NEED. We can not price out what we do not know. : *We need you to convey what you want your product to be, how you want it to be packaged (using above, target pricing, how many units. Break it all down and let us know as much as you can. Provide us a budget, this will help. We want to partner with you to grow as you need.*
- Would you rather start with smaller volumes of finished units and pay more or run 250 or more units (finished product) and pay better pricing? (The larger the run, the better the pricing)
 - Do you need help with logo or label artwork / graphic design?
 - Do you have your own final packaging design?
 - Are you a startup company or do you have an existing product or product lines at all?
 - What is your target pricing per unit?

Product Development - Deeper Dive into Finished Goods and Pricing

What we need to know from you to help is below. Our specialty is importing, sourcing, contract growing, formulations, blending and packaging in pyramid tea sachets that package in your supplied packaging or ours in stand up pouches or paper canisters. We also will drop ship for established brands that we source, blend and package for and if you sell at least 50 - 100 units per day. There is no one stop shop that does all things packaging and drop shipping, but we come the closest.

We Need to know your Project Size and Budget:

What is best for you in order of importance? Flavor, Function, or target unit Price? We help you get to market by determining what is best for your brand and your budget. For formulations - consider using house blends for lowest budget or allowing us to try and find a blend that exists that fits your needs. You need to decide what is best fit for your business needs and budget. Custom blends range MOQ 25-100 lbs depending on scope and materials.

KEEP SCROLLING DOWN

MINIMUMS: Everything has an MOQ: *please don't email and ask us "what is your MOQ or Minimum Order" - we need to know WHAT you are asking. We can help with ANYTHING and suit it to YOUR NEEDS be it FLAVOR, FUNCTION, AND PRICE or PRICE FIRST.*

This is why we take a deposit, sit with you and tailor to suit your needs and your GOALS.

But generally speaking:

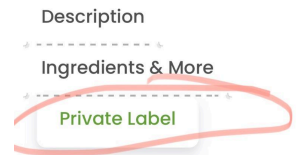

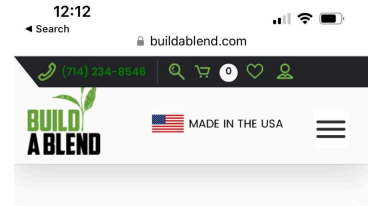

- Custom Blends range 25 lbs to 200 lbs and up
- Packed out stand up pouches pre printed range from 500 to 1000 depending on your # of skus
- If you are doing a test run and we are printing a sticker on a pouch for you we can do 25 lbs - however you pack that (not organic certified but organic ingredients)
- Sachets can be 5000 if our blends, 10k + if your blends or non-shelf blends
- 3 side seals flat tea bags 20K minimum
- Sachets with envelopes vary but usually 10 k and up
- Printed boxes are 5000 boxes PER SKU

But if you have several skus - we work with you on all of this above

Existing Brands: Larger volumes, best pricing: Is this for you? >>IN HOUSE: Our typical MOQ's are: 1000 ++ units per sku / blend / pouch / canister for 1-2 skus. We can consider 500 units if 3 or more skus and sachets are at least 10,000 per sku or 50 lbs or more of tea per sku. If this is a custom formulation - your ingredients may drive MOQ's higher. (Organic must be approved and added to our NOP first). Sachets start at 14 cents each. Packaging is best priced but quoted off of your entire approved teas and project.

START UP: Lowest entry volume, Just Testing the market - totally turn key, higher pricing but lower entry dollars and inventory: Is this for you? >>

- We offer shipping our teas into a partner facility and the main change to this is 25 lbs or more however packaged of our existing teas and blends or 25-50 lbs or more of your custom teas.
 - If you do 5 or more skus of an existing blend, we can discuss MOQ's
- Stand up pouch colors are shown above.
- You send in verbiage and your logo (included in the price) or we can provide a quote to do the art for you and/or logo as well for this and all above.
- We can quote the custom paper canisters for 1000 or more units but pouches are lowest volume and lowest pricing
- One invoice for all.
- This can NOT be Organic certified but can be listed as Organic in the Ingredients.

PRIVATE LABEL THIS for my Start Up / Short Run:

Let's get started on your Tea Label - here our smallest runs for you to test your market! Check out above with "Private Label Short Run" and we are off and running to create your product.

Specs: 15 count pyramid shaped sachet tea bags, white string and tag, 2.5 grams each, yielding approximately 225 unit stand-up pouches.

You can also look at the bottom of every Wellness Tea on Buildablend.com and check out each tea ready to package under your Private Label.
