- Forge such stars with broken glasses, from what's uphold is the unruly darkness. Now Gaze upon the weapon of the weak then look above for the great void that dorment further unto the field of one's domain. Fear not, the guidance of the auraring light rained through the silent, the dynamic, and the onlookers beneath of everything.
 - For what's beneath is a beating of an Abstract. Then to those that bind are the handlings of such Concept. But to be put upon and be named a novelty, is a work other than by the hands of the ornamentation.
 - So raised the thought forward, the finite existence given to you by the Concept will be the weapon of the meek. Now luminate the details of such creation, build the foundations of the expression, guide the life until the wish can lush, and raise the final will to continue the harmonious works created.
-
- Many Senses Flares in Leytin, They've pulse in laying thoughts, Patterns that stain the Whiten Cloth, on themes that torned such vital Warmth, those that everly layers on the formers parts, to colors that spread on the painted art, they've been in dying combustion in glaring start (GLID-3) (GLID-3-XL-Stable Upscaler) (GLID-3-XL-Stable Upscaler)
 - Blackness that everly cascade over the Sharpen Core of the Sparking clouds, in lands that cover the depths of arching, to a line that cause the painture of Tampered Tapestry, through an interest of the Guiding Calls to execute such trials, to weave Realities in Domainless rule
 - Middling Citadels in such breaking point, for chained reenactments of many marks of creation and passing, it was a Faithed choices of a forgement of fractures, for taunting the unbalancement, Fantasy loomed another Faith, for even Faith would be fooled by the happenings, tainting the mosaic decisions for All, in all to wrong Orrery
-
- The pattering worlds that always felt artificial in creation, it was just perfection at the end that painted it in pulls, so such cuts continuous it's weaving, in needs that still in closing, of those works that always is outgoing (GLID-3) (GLID-3-XL-Stable Upscaler) (GLID-3-XL-Stable Upscaler)
 - One's fondled the weave that created a link of many in owning and the cross hatches of such whiten void, they were the knowing that this exist, so tighten a line that was made for a fallen with erudition of the point (GLID-3) (GLID-3-XL-Stable Upscaler) (GLID-3-XL-Stable Upscaler)
 - Opposed they've instructed, the opposite they leaned to, then the opportunity that lasted longer than a wish, for a thought of this field that will everly range in it's own chances, and now a state that never lasted longer than a saying of glances (GLID-3) (GLID-3-XL-Stable Upscaler) (GLID-3-XL-Stable Upscaler)
