

1. Arrive

- Go the following table locations at 12:30 and table until 1:30 PM
 - Klarman: Us Undivided
 - Duffield: DE2
 - Mann: HAC & SXQ

2. Set Up

- 2 laptops
 - One laptop has the DE2 website: <https://de2.squarespace.com/>
 - One laptop has the sign up sheet: <https://forms.gle/H7LyYZ8ABQz8oMzZ8>
- Layout the following physical materials in a visually appealing way:
 - Internet-less game instructions
 - Survey (Please bring pencils & pens they can use to fill this out)
 - Letter to local government
 - Coloring Book
 - Origami Box + Origami Paper (If provided)

3. Elevator Pitch

- As soon as participants arrive, volunteers will give an elevator pitch. You can include the following slogans, either vocally, or out in print:
 - "Internet for All, Answer Newfield's Call"
 - "Cyberspace for most, but some are still lost"
 - "DON'T DENY DIGITAL DREAMS"

4. Empathy Game

- After participants are interested, provide them with the game.
- "Do you want to participate in a game to win prizes?"
 - If no → regular tabling (tell them about DE2 and proceed to step 5 (action))
 - If yes → provide them with the game sheet
- Given that they "lose," educate them about DE2 and give resources and calls to action.

5. Action

- Provide them with the sign up sheet (google form) to stay up to date with the initiative and direct them to the DE2 website on your laptop.
- Have them fill out the survey and hand it back to you

6. Closing

- Provide them with additional materials they can take away
 - Letter to local government
 - Coloring Book
 - Origami Box and paper

<p>QUIZ TO WIN A PRIZE by DE2</p> <p>INSTRUCTIONS: Do not flip this page. You may use your phone for this quiz, but turn your WiFi and cellular off, or put your phone on airplane mode. Taking as much time as you need, answer 3 of the following questions to get a prize:</p> <ul style="list-style-type: none"> What is the population of Tokyo, Japan? What is the capital of Burkina Faso? What is the formula for calculating the area of a trapezoid? What is the highest mountain peak in South America? What are the first ten amendments to the United States Constitution called? What is the main export of Chile? What is the chemical name of the compound with the formula CH₁₀N₄O₂? Which country has the most time zones? What is the oldest known living tree species? Which country has the highest internet penetration rate? Which species of bird holds the record for the longest migration distance? 	<p>Tell us about your digital access experience.</p> <p>Feel free to use some of these prompts:</p> <ul style="list-style-type: none"> Does your school have CS or IT courses? Have you ever had to go to a library or a friend's house to do homework because you didn't have internet access at home? What would you do if you couldn't use the internet for a whole week? How important do you think it is for everyone to have access to the internet? How do you think having more access to the internet has, or could improve your educational life? Imagine a world where everyone has equitable internet access. How would you make this possible? 	<p>NEWFIELD CENTRAL SCHOOL DISTRICT</p> <p>To whom it may concern</p> <p>My name is _____ and I am a student/parent/guardian from _____ I write to you today to advocate for broadband internet access for all students and families in the Newfield Central School District. We are a rural school district located just north of Ithaca, NY. During the pandemic, we had to 1) discuss for our students, making it extremely difficult to have a writing educational environment for our students. The pandemic exposed the huge need to have access to broadband for all students to have a rich learning education here at Newfield.</p> <p>Here is my personal story:</p> <p>I hope this letter finds you well and that this is a step into a better future for our students and families at Newfield Central School District.</p> <p>Sincerely,</p>		<p>DE-2 BOX</p>
