

Option 2 SOL Testing

Families may provide their own transportation or may take advantage of school busses for transportation. Transportation for SOL testing will start on **Wednesday, January 6**. Please be sure students bring a fully charged Chromebook and headphones. Students will be able to log into classes and do schoolwork after testing has concluded for the day.

- For Option 2 families (*students learning virtual only*) a WebQuery Application has been activated to help parents find the nearest bus stop and times and is linked below.

Depending on your child's grade level and courses they are currently taking during Term 1, he/she will take 0, 1, or 2 SOL tests during January testing.

Example:

A sixth grade student enrolled in science and social studies will not take an SOL test in January.

A sixth grade student enrolled in math and science will take one SOL test in January.

A sixth grade student enrolled in math and English will take two SOL tests.

Please use the information below and the chart to be prepared to bring your students to school on the correct days. All SOL tests will begin at 10am. If you are bringing your child, please ensure they are at school by 9:45am.

Grade 6 Students only take Reading and Math

Grade 7 Students take Reading and Math. Additionally, if your student is enrolled in Advanced Science 7, he/she will take the 8th grade Physical Science SOL.

Grade 8 Students take SOLs for all four content classes; however, a student is only currently enrolled in two at a time.

ALL SOL tests will begin at 10am.

| | 6th Grade | 7th Grade | 8th Grade |
|--------------------------------|--|---|--|
| Math (January 11) | Students currently enrolled in Math 6, Adv Math 6, & Pre-Algebra | Students currently enrolled in Math 7, Adv Math 7, or Algebra | Students currently enrolled in Math 8, Algebra, or Geometry |
| Reading (January 25) | Students currently enrolled in Eng 6 or Adv Eng 6 | Students currently enrolled in Eng 7 or Adv Eng 7 | Students currently enrolled in Eng 8 or Adv Eng 8 |
| Science (January 11) | No SOL Test | ONLY students currently enrolled in Adv Sci 7 | Students currently enrolled in Earth Science or Physical Science |
| Social Studies (January 25) | No SOL Test | No SOL Test | Students currently enrolled in Civics |

You should have already been contacted by an administrator, if your child has two SOLs on the same date. (For example, your child is currently enrolled in Geometry and Earth Science). To accommodate both tests, please bring your child to school on both testing days, January 11th and January 25th
