Optional Resource Guide

Please note that we do not vouch or recommend any vendor over another – these are resources that PTA/PTSAs within the area have used.

Free Accounts:

[Canva for Non-Profits](#): PTAs can access premium features of Canva Teams for free, including a large library of templates, images, and fonts, plus 100GB storage.

[Google Workspace for Non-Profits](#): This suite of tools, including Gmail, Google Drive, and Google Calendar, is available for free to PTAs. Link your paid domain name to access yourdomain.org email addresses (\$10-25 annually)

Accounting Software:

[My PTEZ](#): Pricing varies depending on the unit's gross revenue, averaging between \$99-219 annually with options to add your online store and tax sheets.

[Wave Accounting for Non-Profits](#): Free software with the option to add additional features, web based so able to login from any device.

[ZipBooks](#): Limited bells and whistles but entirely free and web based.

[The Share Way](#): donation tracking & grant application software, allows you to easily track In-Kind (physical) donation requests and receipts for accounting. Free account limits profiles you can view for application.

[23rd District](#): Offers a free template/spreadsheet option which may work well for smaller units.

Digital Payment Software:

Please note nearly every program will require a SSN to be attached to the account for payment processing due to legal requirements. This should be transferred to a new board member when your account holder's term ends.

[Cheddar Up](#): Non-profit/group-based processing, limitations within free tier.

[Zeffy](#): Free on the non-profit side, fee is charged as an "optional donation."

[Future Fund](#): donors pay a 2% fee + credit card processing fees. Offers shop and other options, free for unit/PTA.

Spirit Wear:

[EPI](#): National chain, can host a webstore through their platform.

[Ken's Sporting Goods](#): Based in Norco
