

Movie Notes for:

“Godzilla vs. Biollante” (1989)

1. I am watching Godzilla vs Biollante -- not a great movie.
2. Legit PG!
3. Miramax Fancy!
4. No Toho translation.
5. I wonder what Alert Level 5 would be?
6. Cellular G.
7. Rampaging G is a good way to start. (Scenes from last movie.)
8. American reporter.
9. Definitely sequel to Godzilla 1985
10. Susan Horn for CCN.
11. Some sort of Godzilla related skin was recovered.
12. Lots of non-Japanese in this movie.
13. 80's chase music.
14. Funky Godzilla theme.
15. Evil Australians.
16. Mysterious stranger kills Aussie baddies.
17. Do not recognize that accent.
18. Obviously from Saradia???
19. Unknown Middle Eastern Country
20. They quick-froze the Godzilla cells.
21. Erica? OK.
22. Transform desert into a vast granary.
23. Wheat and desert cactus.
24. Creating an indestructible plant? What could go wrong?
25. Killing people to get Godzilla cells has its consequences.
26. Introducing our psychic.
27. Oh! 5 years later.
28. Genetic engineering geniuses. What could go wrong?
29. The plants do talk.
30. Godzilla Memorial Lounge.
31. Chimeras.
32. Introducing lots of people, but not explaining who they are.
33. Earthquakes where G is buried. Probably unrelated.

34. Dreaming of a white Christmas? Nope Godzilla.
35. Even more unknown characters.
36. We have alert Level 1.
37. Anti nuclear energy bacteria - for use against G.
38. The Godzilla cells did not kill your daughter.
39. Desk. 2 couches. Select the second couch.
40. Use Godzilla cells to create a weapon? WHat could go wrong?
41. Lots of science sounding mumbo jumbo.
42. Lots of people died because of the cells. Lets let some scientist take them home.
43. Biollante is a cross between a rose, his daughter, and Godzilla.
44. Alert 2.
45. Super X2!
46. Cadmium shells?
47. Fire mirror? Reflect atomic fire? We shall see.
48. Lots of espionage in this movie.
49. Australians and Sarandians...
50. Needs acid blood like the xenomorph.
51. Fax? WHat is that?
52. It's a bluff? The phone rings and it's not a bluff.
53. Now you have an 80 story immortal plant.
54. What kind of science? Mad science!
55. Now Godzilla is going to be released.
56. Never make a deal with terrorists...
57. Godzilla theme!
58. Level 3.
59. Naval battle. THat's new.
60. Super X2 theme same as the Super X theme
61. Elite youth corp.
62. Computers...
63. Just like a video game. Hence the youth
64. Not just science. Evil science.
65. Underwater attack. The point being?
66. Flrst birds, now crying plants.
67. Lake fight between a plant and G. DOesn't seem fair.
68. It was a trick!
69. Biollante not immune to atomic fire.
70. What is this green slime? Is it deadly to G?
71. Keep roasting the plant G!
72. Not sure what that military furfural was about.
73. G is just going there to rap as the kids say.
74. G will have none of that.
75. We have reached level 4. Cue the boats and trains.
76. Now for the evil Saradians to get theres.

77. Nice security.
78. A hit has been placed on Dr Plant.
79. G rises from the sea.
80. Be sure to hide behind buildings to maximize damage.
81. Not sure why they are playing juggling music here.
82. Cadmium worked so well last time. Good thing they gave that up.
83. THat is where his ex worked.
84. That worked as planned.
85. Little too cocky there colonel.
86. Down goes that building just for that smoking crack.
87. Godzilla is Sold blooded?
88. Military march.
89. I don't know what they're doing, but it looks important.
90. Suddenly raining Biollante due to military weather machine.
91. A little maser preliminary action.
92. Lightning strikes and charges him up.
93. IF you don't kill him he could develop antibiotic resistance.
94. They should have used airwolf.
95. Rain down on G Biollante.
96. Hey Bio! Those are the good guys!
97. Biollante is fighting G with a bad case of the flu. Not fair.
98. G is repulsed by the ugly monster.
99. Glitter bomb. So unfair.
100. G falls into the sea.
101. unscrupulous scientist create them are the monsters.
102. THese cells will probably go through a black hole...
103. Car chase.
104. THat car is no match for that jeep.
105. Hikeeba!
106. Competent until now.
107. Sarandia will never cause problems again.
108. G's fever broke.
109. Until next time.
