

TERMS OF SERVICE

By rendering payment, you are agreeing to the Terms of Service.

This Terms of Service is subject to change without notice.

GENERAL

- By commissioning me, you agree that you are 18 years of age or older.
- I reserve the right to negotiate commission content, or outright refuse for any reason.

PAYMENT

- Payment must be made up-front on commissions under \$300. If a commission is over \$300, I will accept half of the agreed upon amount before beginning, and half when a Work-In-Progress has been approved.
- Payment must be made within 24 hours of receiving my invoice. Negotiations may be made before the invoice is sent, and I reserve the right to accept or refuse any alternate date of payment.
- If no payment is made, and no responses are made to any attempts to contact you, you may be blocked from further commissioning.
- Full refunds may be given if no work has begun on the commission. If the commission has not been completed at the time of a refund request, a 50% refund will be given. No refunds will be given once the product is completed.

PROCESS

I require visual references for any form of commission. If only a written reference exists, there will be an additional fee.

- For Your Character Here Commissions:
 - If requested, a Work In Progress JPG will be sent of the completed line art, which constitutes roughly 50% of the art process.
 - I can send more frequent WIP shots upon request.
 - No major changes may be made to the pose.
 - Minor changes may be requested at the end of the process. Anything I deem to be a major change will result in an additional fee.
- For Non-YCH Commissions
 - I will send WIPs to be approved at the sketch, line art, flat color, and full color stages. I will require approval from the commissioner at each stage of completion before continuing to the next.
 - 1 Major change may be made at the sketch stage; the rest of the stages will allow minor changes at the request of the commissioner.

RIGHTS

- I, as the artist, retain all rights to created artwork, including the rights to repost, use, and sell art in digital or physical forms. Profits will not be shared.
- Clients may repost or otherwise reproduce their commissions as long as credit to the artist is included and no profit is being made.
- Every client has the opportunity to buy full rights to commissioned artwork. Details will be discussed individually.
