

Privacy Policy for Gramática GC

This Privacy Policy describes how **AvengerFerret** ("we", "us", or "our") protects your privacy when you use the **Gramática GC** mobile application (the "App").

1. Information Collection and Use

We do not directly collect, store, or share any personally identifiable information (such as your name, email address, or phone number) through the App.

2. Third-Party Services and Data Collection (AdMob)

The App uses third-party services that may collect information used to identify your device to serve advertisements.

Specifically, the App integrates **Google Mobile Ads (AdMob)**. Google AdMob may collect and process certain data automatically, including:

- Device identifiers (such as Advertising ID / GAID).
- IP address (used to infer approximate location).
- Application performance and diagnostic data (such as crash logs).

For more information on how Google uses data when you use our App, please review Google's Privacy Policy:

<https://policies.google.com/privacy>

3. Data Encryption and Security

All network communication initiated by third-party SDKs (such as Google Mobile Ads) is encrypted in transit using Transport Layer Security (TLS/HTTPS).

4. Children's Privacy

The App does not knowingly collect personal information from children under the age of 13.

5. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes.
