

# Privacy Policy for Hockey Goalie Pro

*Last Updated: 11/06/2025*

## 1. Introduction

Welcome to *Hockey Goalie Pro*! This Privacy Policy explains how we handle user privacy while providing an immersive mixed reality experience. *Hockey Goalie Pro* utilizes Meta's inbuilt features such as hand tracking and room-scale boundaries but does not collect, store, or transmit any personal or device data.

## 2. Data Collection and Usage

We do not collect, store, or process any personal or device data from players. *Hockey Goalie Pro* operates entirely using Oculus' built-in systems without accessing or storing any additional user information. The following Oculus API's are used but data is not stored, collected or processed in any way.

- **Hand Tracking:** Our game uses Meta's native hand tracking for interaction but does not record, store, or transmit any hand tracking data. This is used to interact with the game world
- **Room-Scale Boundaries:** The game relies on Meta's system-determined play area for gameplay but does not store or process any boundary-related data. This is used to create a safe play area for the player in parts of the game where they may not be able to fully see their surroundings in Mixed Reality.
- **Passthrough:** Used to create a realisting Mixed Reality Experience

## 3. Data Storage and Sharing

We do not store any user data locally or on external servers. Because *Hockey Goalie Pro* does not collect any data, we do not share any data with third parties.

## 4. Use of Meta Services

Since our game operates within Meta's ecosystem, any data handling related to hand tracking, boundary systems, passthrough and anchoring is managed solely by Meta under their privacy policies.

## 5. Third-Party Services

We do not integrate or use any third-party services that collect or process user data.

## 6. Security

As we do not collect or store any data, there is no risk of personal data breaches from *Hockey Goalie Pro*. All security measures related to hand tracking and boundary data are maintained by Meta.

## 7. Children's Privacy

*Hockey Goalie Pro* does not collect any personal data, making it compliant with child privacy protection requirements. However, players should adhere to Meta's age guidelines when accessing VR content.

## 8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If changes occur, we will update the

"Last Updated" date above. Continued use of *Hockey Goalie Pro* after changes constitutes acceptance of the revised policy.

## **9. Data Deletion**

As we do not collect or store any data, removing the app from your device will ensure that *Hockey Goalie Pro* can no longer function and all related data is removed.
