

Memberships 2026-2027

Welcome to the Club! Figure skating is an incredible journey that connects local athletes to national and global opportunities, but it all begins right here with your local community.

Bremerton FSC was founded to support amateur skaters pursuing their unique goals—wherever their passion leads. While our specific programs and events evolve based on club size, member interests, and US Figure Skating offerings, our core mission never changes: making figure skating accessible to the West Sound community within a supportive, encouraging home-team environment.

Key Membership Information

- **Season Dates:** July 1 – June 30 (aligns with the US Figure Skating official year).
 - **Community Focus:** Inclusive, athlete-centered support for all ages and skill levels.
-

Regular Full Club Memberships

Regular Full Club membership offers the following benefits:

- US Figure Skating membership for the current season, including subscription to “Skating” magazine
- In-person and virtual US Figure Skating test sessions
- Use of club-owned training equipment and our inventory of skating costumes and props
- Priority registration for skating seminars facilitated by the Club
- Discounted registration rates for Club-sponsored skating events (e.g. exhibitions, club sponsored shows, competitions)
- Participation in Club social events (e.g. Season Welcome Fun Skate, Club Ice, Family Skate Night)
- Recognition at the year-end Awards Celebration
- Right to represent Bremerton FSC at skating competitions
- Ability to purchase official Club jacket and other Club logo items to show your Club spirit
- Voting rights and eligibility to serve on the Board of Directors (for members 18+ who join prior to September 1st)
- Merit Awards potential

To keep our community strong, vibrant, and accessible, we ask our members to:

- **Integrity & Safety:** Adhere to the Bremerton FSC and US Figure Skating Codes of Conduct, as well as the SkateSafe program guidelines provided in your application.
- **Active Participation & Fundraising:** Get involved and support fundraising efforts. While membership dues cover basic operations, fundraising directly funds extra equipment, club events, and discounted program fees.
- **Volunteering:** Help power our club with your time and talents. Whether you can lead a major project, lend a specialized skill, or simply assist occasionally, every contribution matters. Reach out to a Board member anytime to see how you can engage.
