

Summary of changes for the 7th Amended PHO 20-38, which extends the PHO through October 31, 2021, and amends the Section III.A of the Order to:

- require state contractors entering state facilities to provide services to a client, patient, resident or youth living in the facility who have a medical or religious exemption from immunization approved by their employer to be tested for COVID-19 twice weekly, and excluded from the facility and required to isolate if they test positive;
- require all other state contractors entering state facilities who are unvaccinated or not fully vaccinated or who have a medical or religious exemption from immunization approved by their employer to be tested for COVID-19 twice weekly, and excluded from the facility and required to isolate if they test positive; and
- require confirmation from state contractors that all state contract workers who are not fully vaccinated and are required to participate in twice weekly COVID-19 testing are doing so.
