

**Lesson Plan**  
**Task Based Learning**  
**(TBL)**

Diana Morales, Luz Maria Romero, Arleth Galván, Mary Jose.

*Class 1.*

<b>Level and proficiency level</b>	6th grade / beginners
<b>Target Task.</b>	Talk about their weekend in a video. (TikTok)
<b>Target Forms.</b>	Use of the simple past.
<b>Warm-up activity.</b>	Show students a video about a person. doing some activities, then the teacher asks the students: “what did she/he do?”
<b>Pre-task.</b>	-Teacher talks about her/his weekend, saying the activities she/he did (using simple past). -Teacher asks students to tell a classmate about their activities during their last weekend.
<b>During Task.</b>	Ask them to make a script of what they are going to say during a TikTok video using simple past tense in the form of a Storytime.

*Class 2.*

<b>During Task.</b>	-Teacher does a quick review about the previous class. -The students are going to record their videos using the script as a guide (no more than 3 minutes).
<b>Post-Task.</b>	Teacher will ask students to get together in groups of 4 and show each other their video. After that, one of them will pass to the front and will describe what they did. (her/his) classmates.

**Homework.**

Students will write a paragraph and tell us what they think was most exciting about their classmates' weekend and what they would like to do more of.
