### WH Questions

**Instructions:** Read the following questions before watching the video. After watching the music video, discuss the following questions with a partner. Do not write anything down!

1. In the beginning of the music video why does the boy feel “broken hearted”?
2. What was the boy trying to accomplish by writing this love note? Did it work?
3. One of the beginning verses of the song says, “we were over before we started.” What does that mean? What does this verse refer to?
4. By the end of the song the boy is “happy hearted,” why?
