Fall sport season is well underway!

Football, Cross Country, Volleyball, Tennis and Golf have had a busy month. We are well into our seasons.

103.7 The Buzz will be in town for the Nashville senior high football game this Friday. Randy Rainwater will host his DriveTime Sports radio show from 4:00-6:45 from Badger Stadium. This is part of their Sonic Blast Game of the Week. We will have them set up in the front gate area of the stadium.

Golf season will compete in the district tournament next week.

Go Badgers!!
