

FCCPS Metrics

Return to Classroom

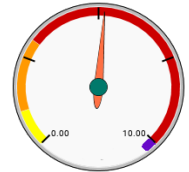

Health Metrics

Falls Church City Public Schools will utilize the following metrics to inform when the time will be right to return to Face-to-Face instruction.

5 Health Metrics / Avg of Fairfax, Arlington, Alexandria, and Loudoun HD

- % Positivity of Coronavirus Tests
- The # of New Cases Per 100K
- The Rate of Infection
- VDH Local Burden, Trend, and Overall Composite
- Speed of Contact Tracing

Each data point will fall into one of these four Categories of Risk:

New Normal - Controlled, Very Low Disease Burden & Community Transmission

Medium Risk - Declined/Suppressed, Low Disease Burden & Community Transmission

High Risk - Significant/Ongoing Spread, Moderate Disease Burden

Critical Risk - Lockdown

The first four metrics MUST be at **Medium Risk for at least 14 Days** for FCCPS to consider moving to a Hybrid model after the 1st Quarter for the entire division. We will begin sooner with smaller cohorts of special needs students in vulnerable populations.

Operational Metrics

Facilities / For Supporting Physical Distancing and Cleaning

FCCPS facilities will be set up to promote social distancing and will be cleaned, sanitized, and ready for students to begin in-person learning

- Set-Up
- Cleaning

Procedures / For Student and Staff Health

FCCPS procedures to promote student and staff health and wellness will be fully implemented and practiced by students and staff

- Student Health
- School Health Clinic
- Daily Health Screenings and Face Coverings
- Transportation
- Visitors

Supplies and Equipment / For Protecting Each Other

FCCPS will have a 60-day supply of cleaning supplies and personal protective equipment for staff and students as needed

- Face Coverings
- Personal Protective Equipment
- Hand Washing and Sanitizing

Instructional Metrics

Master Schedule

Each school will develop two master schedules, one for online and one for hybrid learning

- Instructional staff needed to implement both schedules
- Parent Survey to determine:
 - Which students will move to hybrid
 - Which students will remain fully online
 - Homeschool students returning back to FCCPS
- Course offerings within both schedules
- Shifting teacher assignments as necessary
- Electives/IB courses

Instructional Learning Plan

FCCPS will develop an instructional plan that supports students who select 100% virtual learning or the hybrid learning option

- Learning Recovery Plan to ensure content coverage
- Schoology will be used as our LMS for both options
- Encore resources
- Attendance Plan
- Special Education and Related Services plan
- ESOL support services plan
- IB/VSOL aligned curriculum
- Gifted Education services plan
- Preschool plan

More Information

As we have
approached every
stage of reopening:

*"The time is always right
to do what is right."*

-Dr. Martin Luther King, Jr.

FCCPS has consistently emphasized that our decisions will be based on health conditions and that plans are subject to change given how much is unknown.

- **Safety has been and will always be our primary drive**
- Feedback from our stakeholders is important
- Stability and support of workforce is critical for us to move forward
- Ongoing collaboration with the Fairfax County Health Department, VDOE, VDH, and other school divisions
