## Starting Location

Roll a **1d6** to determine where you start, otherwise pay 100 CP to choose your Starting Location.

### 1• Somewhere

You're somewhere where your favorite rabbit tale or legend takes place and you obtain one item linked free

### 2• A Hat

To your astonishment, you appear out of a hat, which you can take if you like. You can take **Magician hat [200 CP | Discounted for Drop in]** for free

### 3• Inside a burrow

You appear in this world inside a rabbit hole

### • 4 The entry to a cave

A picturesque place that reminds you of something, you can take the **Strange rabbit** race for free if you choose to be the famous rabbit of Caerbannog or get a 200 CP reduction on the purchase of a perk linked to it.

### • 5 The Moon

It's one small step for the rabbit and one giant leap for bunninity... Not really, you're not the first here, there are already plenty of moon rabbits out there. Maybe could you give them a hand and learn their pastry and medicine recipes?

### • 6 Free Pick.

You are free to choose where you choose from the available options or maybe there's a place in a fairytale/a game/story or any media related to rabbit that particularly speaks to you. If that's the case, you'll appear there. What's more, at the end of the jump you can add it and all its contents to your warehouse.

## Age and Gender

Freely choose your own age or gender.

## Origins

### Drop-In [Free]

Appearing from nowhere like a rabbit out of a hat, you wander this new world carrying old knowledge of another place but none of this one. Your powers are strange, being neither tales and myths nor Cryptids, you are more alien to this land than the moon rabbits themselves.

### Tale's Rabbit [Free]

You are an inhabitant of this world full of legend and myth, and the magic of this place has endowed you with the ability to use the power of tales and stories.

### Cryptid [Free]

You are an enigmatic creature linked to the mysterious cryptids and able to copy some of their strength. Perhaps you had some of their blood or perhaps your research into these rabbits, whose very existence has not been proven, has unlocked something for you.

## Race

*jumper isn't reduced to the lifespan of a normal rabbit*

### Rabbit [+200 CP]

You're a little rabbit. If you couldn't talk, it would be hard to tell you apart from a normal lagomorph. If you want to take a bigger lovely bouncing creature like Flemish Giant rabbit or something similar you can but you don't get the +200 CP

### Anthropomorphic rabbit [free]

You may stand on your hind legs, you may look like a Mars hare or you may be an anthropomorphic bunny the size of an adult human... What is a human? Maybe it is a cryptid.

### Bunny girl [free]

Whether you're a tiny bunny girl/boy the size of a small rabbit standing on her hind legs or a human-sized bunny girl this option is for you

### Strange rabbit [200 CP]

You are a supernatural bunny can be a Al-Mi'raj, a Wolpertinger or other from another media and have its power and weakness, if the lovely bunny you choose has perk associated with him on this jumpdoc you can take them for free

## **Perks**

*Origins get their 100cp perks for free and the rest are discounted to 50%.*

### **General [Undiscounted]**

#### **Rabbit ear [Free]**

You can hear even the slightest noise without it ever hurting your ears, you can deactivate or attenuate it, and you have a very good sense of danger.

#### **Jump [100 CP]**

You can jump to impossible heights and land safely.

#### **Drop kick [400 CP]**

Your legs aren't just good for jumping, all your kicking attacks are greatly amplified, and you can move very quickly and with great agility.

#### **Fertility [600 CP]**

You can control the fertility of things to a ridiculous level, whether or not they are sterile is not a problem for you. It's perhaps thanks to you that the Wolpertingers exist, because you could easily create impossible hybrids that would drive any scientist who saw them mad, and you could even reproduce objects or more ethereal things. What's more, you can increase crop yields to ridiculous levels.

## Drop in

### **A magician never reveals his secrets [100 CP | Free for Drop in]**

A magician never reveals his secrets, this line manages to convince most people that even the most impressive magic is a trick of mirrors and smoke making them applaud more than panic about the fact that magic is real.

### **Magician [100 CP | Free for Drop in]**

You're a conjurer, you didn't have any real magic with this perk alone, but you know how to make trompe l'oeil and props to make people think you really have magic, and you've used them perfectly, already knowing several tricks, especially the one with the rabbit in the hat!

### **Gambler [200 CP | Discounted for Drop in]**

You're good at cheating at card games, predicting which card will appear or the right number at roulette, heads or tails and all casino games are winning bets for you. As well as using cards as projectiles, you know all the card tricks so well that you'd think it was all supernatural.

### **Milk rabbit [200 CP | Discounted for Drop in]**

You can make milk rabbits, which are strange creatures that are normally used to steal milk, but you could perhaps find another use for them, or maybe you could troll the neighbors and any farmers you don't like.

### **Taxidermist [400 CP | Discounted for Drop in]**

You are very gifted in this art and can easily make jackalopes or Wolpertingers and decide whether to animate them or not, making them a pretty decoration as well as a traveling companion or even a guardian and spy at your service.

### **Poof disappeared! [400 CP | Discounted for Drop in]**

Hares and other lagomorphs are good at disappearing, but you've reached a whole new level, using the natural camouflage and disappearance abilities of rabbits with your magical talents. You seem to disappear as if by magic, even if there's nothing supernatural about it, which makes you even more untraceable by magical means.

### **Rabbit hole [800 CP] Discounted for Drop in]**

You can create burrows that lead to other dimensions or worlds that you've already visited, but be careful not to fall down or let someone else accidentally fall inside.

## Tale's Rabbit

### Metamorphosis [100 CP | Free for Tale's Rabbit]

Just like the rabbits in Celtic myths, you can transform into a human, here into a bunny girl or a rabbit. With practice, you could learn to transform into something else.

### Totally trustworthy [100 CP | Free for Tale's Rabbit]

But no, everything's normal, this mountain is called that because of the noise you hear... and the smell of grilled raccoon too! You're an innocent rabbit, you're totally trustworthy, or at least people will think so, and even the sharks will be foolish enough to line up to serve as your bridge.

### "Rabbit rabbit rabbit" [200 CP | Discounted for Tale's Rabbit]

You can bring yourself good luck by repeating the words "rabbits" or "white rabbits" aloud when you wake up on the first day of a month, to ensure good luck for the rest of the month.

### Rabbit (zodiac) [200 CP | Discounted for Tale's Rabbit]

You have the powers of the Chinese zodiac rabbit, including a mastery of the element wood in Wuxing magic, as well as a good understanding of this type of magic.

### Easter Bunny [400 CP | Discounted for Tale's Rabbit]

You're an Easter bunny! You're much stronger in the spring, especially on a day when you're famous for handing out eggs to nice children. Eggs that you can magically make appear, like so many other sweets. How do you know who's good and who's bad? That's part of your power - you can naturally distinguish the bad from the good according to your own criteria.

### White hare [400 CP | Discounted for Tale's Rabbit]

You have the same powers as a certain vengeful spirit in the shape of a white hare. Not only are you invisible to everyone except your target, but you also bring him bad luck and move faster than a galloping horse.

### Moon rabbit [600 CP | Discounted for Tale's Rabbit]

You're a moon bunny, you know how to create medicines including the famous elixir of long life and make incredibly delicious rice cakes, plus you know how to use a hammer for more than just mochi and have powers linked to the moon.

### Aztecs rabbit [600 CP | Discounted for Tale's Rabbit]

You're a very strange rabbit, to say the least. As well as possessing abilities linked to alcohol, you're able to absorb the light of a star, making it shine much less brightly, making you immune to the powers linked to light and greatly weakening them with your presence.

### Shoots the Sun [600 CP | Discounted for Tale's Rabbit]

As long as you remain determined, as long as you continue to try and train, no adversary will be too great. Even a small rabbit under a blazing sun has managed to become strong enough to seriously hurt the sun with a bow and arrow, and you are no less capable.

As

**Chang'e's Jade rabbit [600 CP | Discounted for Tale's Rabbit]**

Maybe this goddess taught you, but as well as being a divinity of the moon, you are very pretty and possess archery skills derived from her husband's techniques, so you can touch the sun with an arrow.

## cryptid

### **Cabbit [100 CP | Free for cryptid]**

You're a bit of a cat, but what is a cat? Who knows, you'll have some of their abilities, like always landing on your feet or their talent for hunting, for example. If a benefit, object or anything else needs to be a cat to work, it will work for you if it suits you.

### **King Hare [100 CP | Free for cryptid]**

You're not just a king-size version of your current form, but possess a majestic aura that allows you to reign over your species and mesmerise the people you hunt.

### **Jackalope [200 CP | Discounted for cryptid]**

You're a rabbit with antlers, you're very dangerous and you're very good at pulling pranks, but your best feature is that you can imitate people's voices perfectly and you're a very good singer!

### **Al-Mi'raj [200 CP | Discounted for cryptid]**

You have a long horn that turns you into a rabbit unicorn! What's more, you can generate an aura of terror that can scare away wild creatures and other annoying people.

### **Wolpertinger [400 CP | Discounted for cryptid]**

In addition to being able to merge alt forms to become, for example, this lovely creature. You can choose to combine any number of features to create your own interpretation of the Wolpertinger

### **The Killer Rabbit of Caerbannog [600 CP | Discounted for cryptid]**

Your teeth are as sharp as the legendary Vorpal, effortlessly cutting through any form of protection. Your speed is lightning fast, and combined with your agility, you are the scourge of knights for all time.

### **Baum Rabbit [600 CP | Discounted for cryptid]**

You're a ghostly rabbit no gun can hope to do anything to you buckshot passes harmlessly through you and you reappear a few meters away taunting the idiots who tried.

## Items

*Items may be imported into similar - items, weapons to weapons, clothes to clothes, etc.*

### Drop in

#### **Rabbit's foot [100 CP | Free for Drop in]**

This rabbit's left hind leg was obtained from a live rabbit then killed on the grave of a terrible criminal witch, on the night of a full moon on Friday the 13th when it rained... Yes, it brings you luck and protects you from disease.

#### **Magician's outfit [100 CP | Free for Drop in]**

A magician's outfit as well as that of his assistant, both are rabbit-themed of course, both don't get damaged or dirty and always fit perfectly.

#### **Magician hat [200 CP | Discounted for Drop in]**

You can pull rabbits out of the hat, but what type of rabbit would you say? Any type of rabbit you've ever encountered can be summoned. It disappears after an hour, but doesn't attack you and obeys your orders.

#### **Casino [200 CP | Discounted for Drop in]**

Your own rabbit-themed casino is also a showroom where magician rabbits and perhaps you yourself can perform.

#### **Baum Rabbit card [400 CP | Discounted for Drop in]**

This is a pack of cards made by the fairies, as you might expect from their origin, they are magical. The white rabbit card will bring out a little pure white rabbit that will cure the plague and other diseases with its simple presence, but the others are a mystery.

#### **A pattern with the three hares symbol [400 CP | Discounted for Drop in]**

Anyone who sees it is plunged into a visual trick that makes it harder to hit your opponent and move around. You can apply it to whatever you want in any style you like.

#### **Cartoon construct briefcase [600 CP | Discounted for Drop in]**

It's a funny case, it doesn't seem to have a bottom, so you can take lots of things out of it. What type of object? To be honest, it would be easier to count what you won't find in it but all ACME's products can be found there. Each one works thanks to cartoon physics.

## Tale's Rabbit

### **Moon sweet [100 CP | Free for Tale's Rabbit]**

This box contained an assortment of cakes and other pastries made by the moon bunnies. You get new ones every time you finish the contents of this pretty box decorated with rabbit and lunar motifs.

### **Carrot [100 CP | Free for Tale's Rabbit]**

A carrot is never finished while you're eating it, and unlike the real thing, it's good for rabbits' health.

### **Easter basket [200 CP | Free for Tale's Rabbit]**

These magic baskets have a unique property, to say the least: when you catch one and want to take part in the egg hunt, a cute little rabbit appears in front of you and asks you to turn around if you do. Lots of chocolate and Easter-related items are now hidden in the zone, so all you have to do is play the game of who finds the most with your friends!

### **Garden [200 CP | Discounted for Tale's Rabbit]**

Filled with delicious vegetables of all kinds and protected from rabbits that don't listen to their mothers, this kitchen garden is ideal for growing all the radishes and other lettuce you could wish for.

### **Tea party [400 CP | Discounted for Tale's Rabbit]**

This large table contains everything you need for a good tea party from teapots that can be filled endlessly with your favorite tea to scones and all the accompaniments you want to reappear after you've finished them.

### **Centzon Tōtōchtin [400 CP | Discounted for Tale's Rabbit]**

You can go partying every night with these four hundred rabbits, who are gods of drunkenness, so you might as well say that their party is incredible!

### **The Moon [600 CP | Discounted for Tale's Rabbit]**

Yes, there are rabbits on the moon, and now you can find out for sure, because now you're in possession of the moon, and you'll have lots of rabbits under your command, free to do all sorts of things like make pastries and medicines.

## **cryptid**

### **Magic tool box [100 CP | Free for cryptid]**

## Scenarios

### Scenario one [Gotta Catch 'Em All]

Jakalope, Al-Mi'raj, Wolpertinger, Baum's Rabbit, Killer Rabbit ♪ You've gotta catch them all, the Cryptids! Even in places populated by lagomorphs and mysteries, cryptids are rare. They live in such remote places that some rabbits doubt their existence, and some even have the audacity to think that they are not local wildlife but tourist traps made by taxidermists! Of course, this isn't true after all it would mean that a serial killer rabbit would use corpses to create this sort of thing...

### Reward

You've proved that cryptids exist!

- Firstly, you gain the ability to make animals that are considered cryptids in your other jumps real, albeit a little rare, as well as a zoo/museum where you can store them. There's even a nice souvenir shop filled with criptide products and lots of plushy which is repeated every week.
- You'll also get 800 points to spend on Origin cryptid
