Secondary Literacy Training - Summer 2022

Secondary Literacy Trainings

For Summer 2022, the TN Department of Education in partnership with Memphis-Shelby County Schools is excited to launch a new literacy course series for secondary literacy training. The Secondary Literacy Training series will include Course I (asynchronous) and Course II (in-person). These courses are designed for grades 6th -12th and focus on literacy strategies for using primary source texts within approved materials as well as support for literacy-based lessons for struggling readers. Any 6th -12th grade licensed, practicing teacher completing both weeks successfully will be eligible for a **\$1,000 stipend**.

- *Course 1*- access and complete the asynchronous learning experience on the department's Best for All Central learning management system:
<https://bestforall.tnedu.gov/resource/secondary-literacy-training>
- For more information regarding course content for Course 1 and 2 click [here](#). The Secondary Literacy Course I satisfies the licensure requirements of the Tennessee Literacy Success Act.
- *Course 2* – in-person trainings will take place at a location TBD on the following dates:
