ELIXIR AAI engagement call XI:
LS AAI Roadmap 2025

We cordially invite you to the next AAI community engagement call held by the ELIXIR AAI-focused work package of the ELIXIR Compute Platform (WP2). More information about ELIXIR AAI and Life Science Login is available at https://lifescience-ri.eu/ls-login/ and https://elixir-europe.org/platforms/compute/aai.

Target audience:

This call is open to all members of the Life Science community interested in the Life Science AAI roadmap for 2025, with a particular focus on updates and plans relevant to LS Service Providers.

Zoom link: https://cesnet.zoom.us/j/92617091378

Date: **14th of February 2025, 14:00-15:00 CET**

Description:

In this engagement call we will present the LS AAI Roadmap for 2025, outlining the strategic direction and planned developments for the upcoming year. Key topics will include the enhancements of LS AAI and planned migrations.

Agenda:

CEST	Item
14:00	Welcome
14:10	LS AAI 2025 Roadmap presentation
14:40	Discussion
14:50	Closing notes, survey, following call information
15:00	Close

About Elixir AAI Engagement Calls

ELIXIR AAI Task will organize a series of regular calls with communities to discuss new AAI needs, requirements, and ideas collected from the community, as well as share success stories with other infrastructures. Topics will be selected based on needs, interests, and migration to LS AAI. Please refer to the ELIXIR AAI Tess page for information.

Best regards,

The AAI team
