

Library Media—3rd 9 Weeks

Pre-Reading

You are getting ready to read an article on ebooks. Before you read, I want you to get you thinking! Do to that, you get to fill out this KWN. I want at least 2 thoughts per question.

Know-- What do I know about ebooks?

Want—What do I want to know/learn about ebooks?

Need—What do I think I need to know about ebooks?

During Reading

As you read, I want you to write at least 3 comments or 3 questions that come to mind or that you have as you read. Write them right on the article.

After Reading

We are going to use a strategy called 4,3,2,1. After you finish the article, I want you to...

4. Write me a 4 sentence summary.
3. Give me 3 keywords concerning ebooks?
2. Write down 2 questions you still have about ebooks.
1. Give me 1 opinion you have about ebooks vs. print books.
