INFORMATION LETTER №2

Dear colleagues!

We invite postgraduate students, academic, teaching and research staff of educational and scientific institutions, 3rd–6th year students to participate in the **III International Scientific Conference "Scientific Horizons of the 21st Century: Multidisciplinary Research", which will be held at Uzhhorod National University on May 13-14, 2026 (In person/offline: Uzhhorod, 3 Narodna Square (Small Hall of the Academic Council)).**

Working languages: Ukrainian, English.

The conference will be held online via Google Meet (we will provide the link in the conference program).

Based on the results of the work, it is planned to publish a collection of scientific papers (electronic version). All registered conference participants (who will participate as a listener or speaker) will receive an electronic certificate.

PARTICIPATION IN THE CONFERENCE IS FREE

CONDITIONS OF PARTICIPATION

To participate in the conference, you must complete the electronic registration form by **May 8, 2026 (inclusive).**

Conference participation options: **conference participant (listener); publication of materials; poster presentation; oral presentation; combination of the above options.**

Registration link FORM.

CONFERENCE THEMATIC AREAS

1. Architecture and construction. Technical sciences.
2. Biological sciences, veterinary sciences and agriculture.
3. Geographical and geological sciences.
4. Natural sciences (physical and chemical sciences).
5. Economic sciences.
6. Information technologies and mathematical sciences.
7. History, archeology and philosophical sciences.
8. Medical sciences: diagnostics, treatment, prevention. Pharmaceutical and dental sciences.
9. Linguistics, literary studies, social communications.
10. Pedagogy. Issues of diploma and postgraduate education. Innovation of regional education, science and production. Problems and prospects of science (in particular youth) in Ukraine.

1) **EURODOC Doctoral Student Day in Ukraine (online and in-person), 10:00 a.m.–1:00 p.m.**

Link to the Google Meet video call: https://meet.google.com/aek-side-sbv

In-person / offline: Uzhhorod, 3 Narodna Square (Small Hall of the Academic Council)

https://docs.google.com/forms/d/e/1FAIpQLSd_TgjBwPsAsYtnDS2EAjnDdp2m9KnYZZQUJEaPtaBNuLhwWQ/viewform?usp=publish-editor

2) **Regional Meeting of Young Scientists of Zakarpattia Oblast (online and offline), 2:00–3:00 PM**

Link to the Google Meet video call: https://meet.google.com/avy-xrjo-vsz

In-person / offline: Uzhhorod, 3 Narodna Square (main hall)

To participate, please fill out the registration form at https://docs.google.com/forms/d/e/1FAIpQLSf4jCG2nvcYupnPTSwuXeyNxlkjl_oIiK3c-fI5QlOAcm9cQg/viewform?usp=header

SUBMISSION REQUIREMENTS

1. Original materials of reports that have not been published before are accepted for publication.
2. The manuscript length is up to 3 A4 pages, including tables and a list of sources used.
3. Text editor – Microsoft Word, file format – doc or docx, font Times New Roman; size – 14; line spacing – 1.5. Margins: 1.5 cm on all sides.
4. Title elements: in the middle, first and last name (the LAST NAME should be written in capital letters) of the author (authors), academic degree, academic title, on a new line – the name of the institution, city, e-mail, ORCID (if available). The surname and name of the author-speaker should be highlighted in bold. After one blank line – the title of the materials in capital letters, after the interval – the main text. At the end, a list of sources used is provided, formatted in accordance with the international APA standard. References to sources used should be provided in the order in which they are mentioned in the text.
5. The recommended structure of publications should contain logically presented material: keywords, introduction, purpose, materials and methods, results, conclusions, prospects for further research, conflict of interest. The following elements are allowed in the publication: images, graphs, diagrams (design: spacing – 1.0; font size – 12; table names – in front, illustration names – after, design – in regular Times New Roman font).
6. Responsibility for grammatical errors, the content of the text of publications, the reliability of scientific results lies with the authors.
7. All submissions are subject to plagiarism screening. Submissions containing plagiarism will be rejected. Materials are also rejected if the level of originality does not exceed 61%, or if the design of the materials does not meet the established requirements.
8. One author can submit no more than 2 publications and 2 reports.
9. The Organizing Committee reserves the right to select materials in accordance with the conference topic and the requirements for the design of materials.
10. In the list of sources used, it is prohibited to use authors affiliated with institutions in countries officially recognized as aggressor states (e.g., the rf, Belarus, Iran).
11. Authors are strongly discouraged from using generative artificial intelligence tools to produce the full text of abstracts, including research results and conclusions, or the manuscript as a whole. If the use of generative AI tools in violation of academic integrity principles is detected, the Organizing Committee reserves the right to reject the submission.
In the event of using generative artificial intelligence, we ask you to declare in as much detail as possible in the materials and methods section how exactly it was used in writing the abstracts. In the event of detecting the fact of using generative artificial intelligence tools, the Organizing Committee has the right to reject the received materials.
12. Materials are accepted until **May 8, 2026.**

The conference proceedings will be distributed no later than the **end of August 2026.**

The detailed requirements and a sample manuscript are available at the following link.

You can submit original scientific articles to scientific professional publications that are included by the Ministry of Education and Science in the Register of Scientific Professional Publications of Ukraine - https://mon.gov.ua/ua/nauka/nauka/atestaciya-kadriv-vishoyi-kvalifikaciyi/naukovi-fahovi-vidannya

REQUIREMENTS FOR REPORTS

1. Presentations are accepted in ppt, pptx, PDF formats.
2. The file name must include the last name, first name of the speaker, and title of the report.
3. Reports must be submitted via the registration form.
4. Presentation time: up to 10 minutes, followed by up to 5 minutes for Q&A.

5. We ask the authors of the publications to inform the organizing committee in which form you will participate in the conference (online or offline).
If you have chosen the online option, please record a video report up to 10 minutes long (in format: .mp4 or .avi, with a resolution of at least 1360x768) and send it to e-mail rmv@uzhnu.edu.ua with the note "Presentation for the conference (with indication of the author)" - **by May 8, 2026.**

The composition of the Conference Organizing Committee can be found at the LINK.
