Learning To Do,
Doing To Learn,
Earning To Live,
Living To Serve.

Advisor: Mr. Brady Eischeid

Message from the Advisor

It has been a pleasure and an honor to serve as the advisor for the Carroll Area FFA chapter. I officially stepped into this role in August 2014, and it has been a positive experience getting to know all of the FFA members and introduce ideas and changes to improve the operations and future success of the chapter. With around 80 members, Carroll Area FFA continually makes an impact as a major chapter in the Southwest District, and I hope to continue our strong presence and growth in the time that I am "stationed by the owl."

As the sixth year of my service continues on, I hope to maintain the success that our chapter has already gained. There are many traditions that can and should be upheld within the Carroll Area FFA chapter, and also some new ideas that have come forward from the students, other staff members, and members of our FFA alumni chapter. I want to thank the 2019-2020 officer team for their support, hard work, and determination during their year of service. It is my hope that all of the new members see the accomplishments that these nine individuals have already earned and strive to serve their chapter in the future, as an officer or in any other capacity that helps them develop their potential for premier leadership, personal growth, and career success through agricultural education and FFA.

Sincerely,

Brady Eischeid
