

Do I have:

- ☐ My entire paper on the Final Genocide Causation Theory doc LS shared with me? (NOT some other document)
- ☐ A thesis statement?
 - ☐ That addresses at least three main causes of genocide?
 - ☐ Whether or not genocide will occur in Syria?
- ☐ Multiple pieces of evidence from case studies or theory readings in each body paragraph?
- ☐ Citations for ALL evidence?
- ☐ Analysis for all evidence?
 - ☐ Analysis that not just proves your cause exist but also ties the cause back to genocide occurring in the country you're writing about?
- ☐ An opinion - based on your causation theory - about if genocide will occur in Syria?
- ☐ Evidence from the [Syria document](#) that backs up your opinion on if genocide will occur?
