

Dear third grader,

Welcome to the 2017-2018 school year. It is going to be an exciting year of learning and fun. I am looking forward to getting to know you better this fall. The first few weeks we will get to know each other better as well as the classroom expectations and rules. It is important to come to school ready to learn each day!

I would like to share a few things about myself. I am certified in Elementary Education with minors in Social Studies and Science. I also received my Master's Degree in Professional Learning Community at UW Lacrosse. I have been teaching 3rd grade for 12.5 years. This will be my seventh year teaching third grade in Cedarburg and I can't wait for another fun filled year of learning and excitement!

I am married to Nathan and have two cats, Tosh & Bailey. I live on the east side of Milwaukee and have lived in Milwaukee my whole life. I enjoy watching sports such as the Brewers and Packers, and love to go shopping. You might see me at Target during the school year. I love to enjoy a cold or hot chai tea to get my day started.

When school gets out, I am going to stand up in my friend Angie's wedding in Sonoma, CA. This summer I will be relaxing, getting ready for the school year and catching up with family. I will spend a lot of time at various beaches and pools. Nate and I love going out to dinner and attending some of the fun summer festivals. My favorite festival is Bastille Days, because I love all of the music and yummy food.

This upcoming year you will be learning about some fascinating things such as how simple machines work, planets in the solar system,

understanding and reciting poetry at Poetry and Punch and much more!
We will also go on field trips to Riveredge, downtown Cedarburg,
Discovery World and the Milwaukee Public Museum. At the museum you
will learn more about the Ancient World of Egypt.

I look forward to meeting you in the fall at Sneak Peek. Please
remember to bring your labeled supplies to **Sneak Peek on Wednesday,
Aug.30th 4:30-6:30**. If you have questions before school starts please
contact me via email. Our third grade blog will eventually have some
information for you to view, and your family can sign up to receive an
email when our team makes updates. I am looking forward to meeting
you and your family. I hope you enjoy your summer vacation. See you
soon!

Happy Summer!

Mrs. Lisa Studer
