Waiting Child Advocacy File

Advocacy Name: Everett
First Name: Eli

Country of Birth: Bulgaria

Birth Year: 2015

Special Needs: He is diagnosed with hydrocephalus, vision impairment, physical/developmental delay, and muscle weakness.

Other Information: Look at Everett's smile! He is two years old and looks as curious as can be! Imagine a mama's arms scooping him up forever. Everett has very little time to find a family! Here is a bit about him. If you are SERIOUSLY interested in learning more about him, please contact Ting Ministries at: tingministries@comcast.net.

Everett is described as a positive, social child - just look at that smile! He displays interest in his surroundings. He enjoys music and bright toys. He can imitate sounds and sleeps calmly.
