

# Becoming a Fashion Jewelry Entrepreneur; Trends, Design, and Budgeting

## Guided Notes

Lesson Objectives:

- Describe five trends of fashion jewelry in the region, country, and worldwide by the end of the research and brainstorming session at the beginning of the lesson
- Calculate the price point of four pieces of fashion jewelry during the assessment portion of the lesson on the Calculating the Price Point of Fashion Jewelry worksheet
- Design an original piece of fashion jewelry using inexpensive metals and materials (bead, wire, plated metal, plastic, synthetic gems, etc.) and calculate the price point by the end of the lesson

What jewelry do you think Beyonce should wear? Write descriptions below.

Key Terms:

Creativity	
Entrepreneur	
Fashion Jewelry	
Small business	
Price Point	

Equation for price point and notes:
