

**[zipper sfx]** Good job, dolly. Completely covered in your head to toe latex suit. Now no one would get the idea of mistaking you for a silly human, right? **[chuckle]** No, anyone who sees MY doll in her cute little latex suit is going to know exactly what you're for. Your mantra is "I am a doll. I am happy to help. How may I serve you, Mommy?". Let me hear you say it, babydoll. Repeat after me. "I am a doll"..."I am happy to help"..."How may I serve you, Mommy?"...Oh, so good for me, princess. Now put it all together and say it...Oh, that's a good girl. You look so pretty in your latex suit. Yes you do. Big pink pigtails that I attached to either side of the black mask. The wig hair falling over your face as you turn your head around, unused to the extra weight of the pigtails. Almost all your features are obscured except for those gorgeous eyes and useful mouth of yours. The only parts of your skin that are showing considering the rest of you is covered in the latex suit. The only part left open besides your eyes and mouth is the crotch between your legs. Giving Mommy easy access to her favorite parts of her pretty toy. Do you feel as pretty as you look, babydoll? Do you feel pretty thanks to Mommy?

...Aw, that's my precious dolly. Nodding so enthusiastically for me. You always love slipping inside the latex suit. Everything gets hidden by the shiny black covering. It hugs every centimeter of your body, leaving everything on display but covered. Your nipples poke through the latex as you stand there, waiting for your next instruction. You're a proper doll, you know better than to move without permission. You're not going to speak unless spoken to, are you?...That's a good girl. Mommy wants to hear your mantra. Repeat it for me...Very obedient. You can see all your hard work on display, princess. All those months of training are finally coming together. You're exquisite, you know that?

...That's my dolly, so polite for Mommy. Never forgetting your manners. A good dolly that accepts her place always says "please" and "thank you". Not only is it a sign of respect from the dolly but it is a display of the willingness to serve. You receive pleasure through serving others, don't you?...That is a doll's purpose after all. You exist for others to play with and use. You're a plaything for folks like me. There's a reason why you are clad in just a latex suit and I'm not. This is what you deserve. You get a piece of fabric obscuring your identity so you don't have to be embarrassed that you are a slut for Mommy. It would be too humiliating for you to face yourself in the mirror like this. To see what a depraved doll you are. I don't know if you would ever be able to face yourself again, so anonymous in the latex. No one knows who you are like this. If I were to take you out to a club, tie you to a breeding bench, no one would know that it is you under there, being treated like some dime store whore. It only makes it hotter for you, doesn't it?

...I know it does, princess. Such a depraved babydoll for Mommy. Spread your legs. **[shuffle]** Good girl. No hesitation in following an order. Just how a good doll should behave. Bend over and grab your ankles for me. **[shuffle]** Good job, babydoll. Are you able to keep this position for me? If not, get yourself comfortable while bent over for me. **[shuffle]** That's it. That's right. The hole between your thighs leaves everything to be seen as soon as you are bent over like this. Taking in your ass from behind, how amazing it looks surrounded by the darkness of the latex. It almost looks painted onto your skin with how tightly it is constricting you. Being in a suit like this reminds you that you are nothing more than a toy, doesn't it?...You don't have an identity in the hood. I can only see your eyes and mouth like I mentioned. That's all Mommy really needs to see. Everything else is just kind of useless. A doll is only good for her holes, isn't she?

...And you're determined to be the best dolly you can be, aren't you?...Thatta' girl. That's exactly how Mommy taught you. A pretty mindless dolly. So empty and dumb, the only way you could be filled is with a strapon. It's okay, princess. Mommy doesn't expect much from her pretty dolly. You're here to be played with. A toy is completely pointless without someone to play with it. Right now, by being bent over and showing me everything, you are being a good doll. You're letting Mommy play with you however she wants regardless of how embarrassing it is for you. Showing Mommy just how turned on you are from being wrapped in latex and being made to show off for me. Look at you, babydoll. Such an empty pussy. It looks like it needs something to fill it. Do you need to be filled, dolly? Does Mommy's babydoll hate being empty?

...Then stay just how I positioned you. A good doll doesn't move from her place, does she?...No, she doesn't. She stays nice and still, even while she feels the head of Mommy's strap teasing just outside her entrance. The wetness from your pussy helps coat my strap. Oh, that's it. That's a good girl for Mommy. Get Mommy's cock nice and wet, princess. Just like that. It feels so good, doesn't it? The fleshy tip poking against you, rubbing against your eager hole. You just want me to slip it inside you, don't you?...That's what you are here for after all. You're here to be a free-use fuck doll for Mommy. You're here to serve and let Mommy use your gorgeous latex covered body however she pleases. Mommy's pleasure is your pleasure, right?...It doesn't even matter if you cum because you're a doll. Babydolls don't deserve to cum on their own. You know that when Mommy feels good, doll feels good, right?...The only thing that was easy to teach you. Your dumb brain was able to understand if you follow instructions, you'll get to feel good. It shows you are just as smart as one of Pavlov's dogs, babydoll. **[chuckle]** Now, does dolly want to feel good?...Then beg for it, babydoll. Beg Mommy to fuck your pretty pussy like a good girl.

...[wet noises start] You sound so lovely, babydoll. You get your reward for that. You get to be fucked. Feeling the pink dildo slide in and out of your pussy, just the perfect size for you. Filling you how you like, what a good girl you're being. Mommy's strap feels so fucking good, doesn't it?...Mmm, that's right, babydoll. Stay nice and still. You're not going to move. You haven't been given permission to move and you're a good doll. You stay where you are moved to. Bent over just like this, taking my strap nice and easy, it feels good, doesn't it?...Such a good dolly for Mommy. Feeling my hands sliding against the latex. You can't feel my bare skin against you, can only assume what it feels like since the black fabric is in the way. Hugging tightly to your skin, conforming to every angle of your pretty body. You feel so good like this. Mommy adores how latex feels against her. Makes you look even more like a toy. An empty fuck doll that is desperate for Mommy to fill, eager to be fucked like some kind of a slut. Can't help but moan as the strap starts to reach further inside you, can you?

...It just feels so good, you can't keep those noises to yourself. You have permission to moan for Mommy. I like when my princess makes sounds. She always sounds so lovely, so dainty. Even like this. Even when you're being fucked. You're still so delicate, babydoll. Just like a proper doll should be. Mmm, yeah. That's it. That's a good girl. Mommy's strap feels amazing, doesn't it?...Do you remember the mantra I wanted you to repeat? I want you to say it, but I'll take pity on you and help you out this time. You are being fucked, Mommy doesn't expect you to remember much else besides how amazing it feels to be filled like this. The pretty pink strap continues to thrust inside your pussy without abandon as your pleasure grows. Now, repeat after me. "I am a doll"... "I am happy to help"... "How can I serve you, Mommy?"...So good. Now say it again, all by yourself. Make Mommy proud, princess.

...Fuck, so good for me. Such an obedient toy for Mommy. So eager to obey and impress. It makes you feel so wonderful to complete a task, doesn't it?...It makes you all tingly inside despite the fact that you can't feel me through the latex. I reach over and grab you by the pink pigtails, pulling you further back onto me, impaling you further on my cock. Reaching so deep inside you as you struggle to stay still. The more I fuck into you, the more difficult it gets. You're trying so hard to be good for Mommy. You are trying so hard to remain still. Such a good girl for me. Keep it up. Don't drop the ball. Not when it feels this good. Only good dolls get to cum. There isn't a reason to reward a babydoll that can't control herself. Mommy has taught you better than that. You're showing me that right now, aren't you? Are you proving to Mommy that you DO have control over yourself, princess?

...I thought you might be. Such a good princess for Mommy. Yes you are. Look at you. Taking the strap just like a good girl should, just how Mommy taught you. What a good dolly you are. The most perfect fuck doll in the world. Taking the strap like it was what you were born to do. Take Mommy's cock so easily, toy. Every shift against me reminds you that you are wearing a latex suit. Seeing it out of the corner of your eyes as you try to focus on the pleasure from your pussy and not how tightly constricted you are in this suit. The black fabric clings to you like a second skin, makes it so easy for me to caress about and down while my hips continue to thrust. Never stopping, making sure you are being fucked properly. What good is a fuck toy who is not being used? You're just a toy for Mommy to play with until she gets bored. That's all you need to be. You don't have to be anything more than Mommy's babydoll, princess. You're mommy's good girl when you're like this. This is my favorite version of you, dolly. You're so perfect for me when you get like this. Fucked into submission, hazy in pleasure, floating and willing to do anything for Mommy. Just how a fuck doll should be, right?

...Aw, that's right. You feel so good right now, don't you?...Can feel your orgasm getting closer with every passing second. Mommy's pink strap keeps fucking deep inside you, dragging more moans out of your mouth. You can't help how good it feels, making some of the filthiest noises I've ever heard. That's it, dolly. Keep it up. You're making Mommy very happy. That's your entire purpose. To make Mommy happy. To serve. Just look at you, look at how good you are at serving. You were meant to be underneath someone, abiding to their will. A mindless dolly for Mommy and others like Mommy to play with and use. You can feel the need to cum building, trying to fight it, wanting to stay as still as possible and earn the reward of cumming. You know that Mommy only lets good dolls cum. You're going to be a good doll, aren't you?

...A proper dolly that stays still, that doesn't speak unless spoken too, that is free-use and available at all times. That is what it means to be a toy for Mommy. And you do it so well, princess. Yes you do. I don't think anyone could handle being a babydoll like you. Took to being a dolly like a moth takes to a flame, princess. Yes you did. So good for Mommy. Moaning as you feel my hand through the latex. So close to actually feeling me yet so far. **[chuckle]** You feel so amazing, don't you?...You're so close to cumming, aren't you? Your legs shake as you struggle not to squirm, attempting to take what Mommy gives you. It's getting too be too much for you, isn't it?...Aw, it's okay, Dolly. You've done very well. Why don't you cum for Mommy? You're such a good dolly for Mommy. You've made me so happy, I'm so proud of you for handling everything you are being given. Good dollies get to cum and you've been such a good dolly. So cum for me.

Be a good babydoll and cum for Mommy. **[adlib listener orgasm]** Oh, that's it. That's a good girl. Cumming on command for Mommy. Just how I taught you, just how I trained you. Oh yes, such a good girl. Such an amazing dolly for Mommy. Did you have fun playing with Mommy, babydoll?

...I thought you would, princess. You did so well. Such an amazing fuck doll for Mommy. Not many would be able to handle a fucking lot that while bent over and in a latex suit. The suit makes it a little difficult to move around. I'm thoroughly impressed, dolly. You've made me so happy. I'm so lucky to call you mine. **[kiss]** Mommy's good girl. **[kiss]** Now, I have a very important question for you IF you are up for it. Do you think you could answer Mommy honestly right now, babydoll?...Do you want me to take you out of the suit so that we can go take a shower and you can all that lube off of your body OR do you want to stay in the suit and have another round, maybe with a vibrator this time? Which one would you prefer?...We can do that, princess. Whatever my good girl needs, Mommy can do for you. **[kiss]** That's what you deserve for being such a good dolly for me. Good dolls get to cum.
