North Country Career Center, Newport VT - (Virtual)

Meeting was held on 2/21/2023, called to order at 3:05PM.

Members in attendance (x)
x John Wagner, Computer Programming and Game Design, NCCC
x Brian Case, Computer Networking and Cybersecurity, NCCC
Dan Coutu, Snowy Owl Consulting
Dr. Greg Petrics, NVU
x Bradley Beth, NVU
x Aime Forbes, NCSU

It was noted that a typo on agenda had the meeting on Wednesday, with the date of 2/21/2023, which is a Tuesday. The meeting was held on Tuesday, 2/21/2023.

Board members introduced themselves.

Discussed combining Advisory Committees for Computer Programming and Game Design and Computer Networking and Cybersecurity and we agreed that combining the committees would be beneficial. Moving forward, all meetings will be with a single committee for both programs.

CPAGD

John discussed:
Year in review: Seven program completers in 2022. Five students advancing from Y1 to Y2. Lost several advancing Y1 students to various programs, moved, etc..
-    Y1 students for 2023 - currently 9
-    Open discussion covered the current curriculum on CodeHS and dual-enrollment classes at VTC.

Computer Networking and Cybersecurity

Brian discussed:
-    Year in review: New this year, 1 student currently enrolled. This student is a senior so will not be eligible for year two of the program.
-    Curriculum overview: CompTIA Network + , Cybersecurity lessons using Kali Linux.
