Journal Task 13 – Invisible Women

What do you think the title ‘Invisible Women’ means? Why do you think some women are said to be ‘invisible’? _____

Read the article and answer the questions:

Were you surprised to learn about ‘invisible women’? Why or why not?

I’m sure you use a computer, the Internet, wi-fi and maybe GPS every day.

Women were important researchers, contributors and inventors of these amazing inventions. Why do you think boys are generally thought to be more interested in or better at using computers than girls? _____

These are examples of sexism. That means that girls and women are discriminated against because they are female. Have you ever experienced sexism or discrimination because you are female? What happened?

From what you have seen or know about other countries, do you think that Japan has more or less discrimination against women and girls than other countries?

Give examples and explain why you think so: _____

Let's make some women who inspire us more visible!

Go to your class worksheet and start on your research:

Reader's Comment: _____

Reader's Question: _____

Answer: _____
