

Code: KN-AR(2)
Revised/Reviewed: 7/20/23

When an executive director is notified that law enforcement would like to interview a student at school for the purpose of an investigation that is not related to abuse of a child, the executive director must request that the investigating official provide the information below. Failure to meet one of the five criteria may result in the executive director's refusal to allow the student interview on public charter school property.

1. ☐ Warrant (attach copy)
2. ☐ Court order (attach copy)
3. ☐ Exigent circumstances (briefly describe): _____

4. Parental consent

Parent or guardian's name: _____
Date consent granted: _____
5. This interview is not considered a "seizure" pursuant to state and federal law.

Date _____

Date of interview

- This form should be placed in a separate file and not in student's educational record file.
