

Keystone Common Ground Collective

Hello [INSERT REP'S NAME HERE],

My name is _____. I am a [student, young professional, parent, etc] from [INSERT TOWN], writing on behalf of Keystone Common Ground Collective. Founded in June 2019, Keystone CGC is a nonpartisan, statewide Gun Safety Movement. We believe in the power of shared values and common ground. Our movement aims to build consensus among Pennsylvanians from all walks of life toward our shared goal of protecting ourselves and our neighbors. Beyond building community, we want to see legislative change in real time. And we know you do too.

I'm writing to thank you for your commitment to gun safety measures. The upcoming legislative sessions are filled with bills on important issue areas, and gun safety remains wholly important for the safety of our communities. Our community partner, GunSenseUs, and their research team highlight the most popular common sense measures as universal background checks, extreme risk protection orders, and safety training. The time to enact common ground measures is now. Thank you for your ongoing support as a state legislator.

On a personal note, [INSERT PERSONAL MESSAGE HERE]. If you're stuck on what to write, possible ideas: why this is important to you, the change you hope to see, what you value about political unity.

I look forward to seeing your continued work towards building a better, safer future for communities in Pennsylvania.

Best,
