

Bafa Bafa Reflection

Questions after playing....

1. List 3 adjectives describing how you felt while in the international trading zone.

2. List 3 adjectives describing how you felt when you returned to your own country.

3. Give an example of when you changed (or gave up) your cultural attribute. Why did you change?

4. Explain a situation where you spoke another language? Why?

5. In the chart below, list adjectives you would use to describe the other countries:

Country					
Adjectives					

After hearing each country's "cultural attributes," answer the following questions:

6. How would this game have been different if you knew each country's attributes and/or languages? Explain.
7. What did you learn from this game about the real world?
