

Invisible String - Taylor Swift Rewrite

G **D/F#**
Cold was the feeling of my heart when I lost
Em **Bm**
Someone I held in my heart
G **D/F#** **Em** **Bm**
Now I send them happy feelings
G **D/F#**
Gold was the color of the leaves
Em **Bm**
When I walked with you in the Park
G **D/F#** **Em** **Bm**
I just tug my string when I think of you

D
Time, wondrous time
Em
Gave me the blues and purple-pink skies
D
And I know
Em
You're still with me

D **Em**
And isn't it just so pretty to think
D
All along there was some
Em
Invisible string
Am G/B D
Tying you to me?
Am G/B D
Ooh-ooh-ooh-ooh
Am G/B D
Me
Am G/B D
Ooh-ooh-ooh-ooh
