SAINT KENTIGERN COLLEGE	**Level 2 Questionnaire Design Marking Grid 2023**	**AS:** 91263 v3 **Credits:** 3	**N**	
			A	
			A+	
Name			**M**	
			M+	
Marker		**Check Marker**	**E**	
			E+	

	Achievement (All required)		**Merit** (All required)		**Excellence** (All required)	
	Design a questionnaire		Design a questionnaire, with justification		Design a questionnaire, with statistical insight	
Journal / Logbook	1st draft survey printed		[redacted]		[redacted]	
	Desk review completed					
	2nd draft survey printed					
	Pilot study completed					
	Journal / logbook completed					
	Final questionnaire Printed out Questions are relevant Answers/measures are appropriate					
	3 Question types Open Multi-choice Yes/No Checklist Rating Ranking		Well-structured questionnaire with appropriate questions (MEI)			
Report	**Selected** a purpose		**Justifications** for design decisions including **BOTH**: Question type, Order of questions		**Contextual insight** shown through integration of research in question development	
	Identified the audience					
	Description of the info the questionnaire will provide					
	Stated a change to draft questionnaire **based on the results** of the pilot study		**Justified relevant** changes to questionnaire after: Desk review, Pilot study		**Reflections** on questions or changes to questions**, relevant to the purpose.** (Reflections should include valid statistical reasoning and insight.)	

A	All required	**M**	All required	**E**	All required
A+	All achieved and **two** merit categories.	**M+**	All merit and **one** excellence category.	**E+**	All Excellence and **exceptional contextual insight**
