

Over the course of the finale we will be raising funds to assist Mohamed Adwan, a Palestinian refugee. Among other donation incentives, if we hit our 2k goal we will do one more full season of The Regression Series.

The deadline to reach the 2nd season incentive is Monday, May 26 at 11:59pm est.

CURRENT PROGRESS: \$2005/2000

HOW TO DONATE: Since I will be directing viewers to donate directly to Mohamed Adwan's gofundme page, I needed to set up a google forms link to keep track of which donations are Regression viewers. IF YOU WISH TO DONATE, PLEASE FIRST USE THE GOFUNDME LINK TO DONATE AND THEN THE GOOGLE FORMS LINK TO RECORD THE AMOUNT DONATED! Otherwise it will not be counted towards the below donation incentives, which all things considered isn't the worst thing in the world since Mohamed still receives it, but will affect our ability to hit those incentives

DONO INCENTIVES

500\$ - everyone in the regression crew will change their discord or twitch profile pictures for one week. We must choose one SFW portrait from a certain horse-featuring album cover, screenshot that selection, and use that screenshot.

1000\$ - FIVE MORE EPISODES OF REGRESSION!

1500\$ - IwishTCG will be forced to remove 6 cards from his decklist and replace them with worse, funnier cards

2000\$ - ANOTHER FULL SEASON OF REGRESSION
