

SL: Clients!!

Hi Jessica,

I was looking through your agency's Instagram, and I'm pretty sure that I know a way for you to easily attract more new clients and economize your time.

Have you ever considered using more email follow-ups in your marketing strategy?

If you'd like to take this process step by step, I could send you an explaining video.

Let me know if you want me to send it over!

Best regards,
Wadii
