Help a Child Discover the Joy of Reading

We Need You!

Just one hour a week will make a positive difference in the lives of our students by helping increase reading skills and building confidence.

We are looking for enough tutors to allow
first through fifth grade students to read with a volunteer.

This training is also beneficial for parents who want to learn how to help their children with their reading skills at home.

You are invited to attend
Everyone a Reader Volunteer Tutor Training
Wednesday, September 23, 2026
1:45 – 3:15 pm
Silver Strand Elementary Room 701

For more information, or to reserve a spot for the training, please contact:
