Mission - Inspiring Learning and Excellence for All

Homecoming 2024 was an exciting time for Fairview Students! Many participated in dress-up days. On Wednesday, CHS students held an assembly to get Fairview students FIRED UP! It's neat to see the smiles on CHS students' faces when they enter the building and hearing "Remember when..." It's truly a full circle moment for them and a glimpse into the future for our current Fairview students. Go Tigers!

Vision - CCSD Inspires Excellence in Learning to Prepare all Students for Success.

Latinos in Action is a program that kicked off Tuesday, October 15th for Fairview ESL students. CHS ESL students partnered up with Fairview ESL students. They sat together during lunch and read books after lunch. This is a great opportunity for these students to mingle and have a mentor to help make them feel more comfortable as they grow their English speaking skills.

Core Values - Choosing Kindness and Caring for Each Other

High Five Friday has been a tradition for many years. Huge thanks to Kelli Schulz for setting this up every week. This year during Fire Prevention Week, Fairview students were greeted by a few members of the Carroll Fire Department. Little Tigers love looking up to our local heroes!
