Accessibility Statement

At **The Accessibility Experts**, we are dedicated to ensuring that our website is accessible to all individuals, including those with different abilities. We strive to adhere to best practices and accessibility standards as defined by the Web Content Accessibility Guidelines (WCAG) 2.1 AA and Section 508 of the Rehabilitation Act.

Our team tests for:

- **Color Contrast** to ensure readability for users with visual impairments.
- **Plain Language** for clear and concise communication.
- **Keyboard-Only Navigation** to support users who rely on assistive technologies.
- **Color Usage** to avoid reliance on color alone for conveying information.
- **Consistency** in layout and design for ease of use.
- **Integration with Screen Readers** to enhance access for visually impaired users.

If you experience any difficulty accessing our content or need assistance, please reach out. We value your feedback and continuously work to improve accessibility.
