

## Leading the Way: Why I Am Equipped to Lead the Cardano Project.

*With a strong scientific background, proven leadership skills, and active involvement in the Cardano community, I believe I'm uniquely positioned to lead this project. Here's why:*

### **Academic Background**

- PhD in Medical Science from the [Universidad de Buenos Aires](#), Argentina.
- Bachelor's Degree in Biotechnology from the [Universidad Nacional del Litoral](#), Argentina.
- Chemical Technician from the [Universidad Nacional del Litoral](#), Argentina.
- Data Analyst at [CoderHouse \(certificate\)](#).
- Over [10 postgraduate courses](#) completed in Argentina, Brazil, Uruguay, and the United States.

### **International Experience**

- Short-term research stay at the Cellular and Tissue Biology Laboratory, [Conde de Valenciana Institute of Ophthalmology](#), [Universidad Nacional Autonoma de Mexico](#) (2020).
- Student exchange program at the Faculty of Biology, [University de Veracruz](#), Mexico (2012).

### **Scientific Contributions**

- Authored/co-authored over 5 published papers
- Doctoral and undergraduate theses published
- Presented at 12 international scientific events
- Presented at 7 national scientific events

### **Technology Transfer**

- Technical Director for 5 preclinical trials
- Researcher in 6 preclinical trials
- Coordinator for 2 theoretical-practical training sessions at renowned Argentine companies
- Collaborator for 1 theoretical-practical training at an Argentine company

### **Professional Experience**

- COO at [Biotalife Skin](#), an Argentine Biotechnology Startup..
- PhD Student at the [Alternative Methods Laboratory](#), University of Buenos Aires.
- Professional Technician at the [EBAL Technology Platform](#).
- Cell Culture Technician at [Rosenbusch Institute S.A.](#)

## **Financial Management**

- Successfully managed three international grants for scientific research and training courses.
- Contributed to two approved national funding applications for companies.

## **Awards and Distinctions**

- 6 awards received, including 3 individual and 3 group awards.

## **Web 3 Background**

- Ambassador of the SingularityNET LATAM Community ([link](#))
- Member of DeSci LATAM ([link](#))

## *Blockchain Education and Experience*

- [Lemon Cash Course Certification](#)
- Cardano Blockchain Certified Associate ([CI 535384](#))
- Catalyst Funding: Co-proposer for **Fund11** of “Cardano's impact on the immutability of biomedical data in the healthcare world”- [idea/113065](#), track the development at [Catalyst ID 1100076](#)
- 2nd Place at Cardano Latam Builders organized by Cardano Latam Community (check the [link](#))
- Assistant to the Cardano Developer Course (CDC) by IOG, Arg 2024 ([link](#) to the course)

## *Written articles about Blockchain/Cardano/DeSci (check the [link](#))*

## *Active in the Cardano Community*

- Community Reviewer of Project Catalyst
- Participant in Latin American Cardano Community Events:

## *Workshops:*

Catalyst Working Group- Buenos Aires - May 11- 2024 ([Photo](#))

Gobernanza en Cardano - May 11-2024 ([POA 026](#))

GreenDrinks-Blockchain y Sustetabilidad - May 14-2024 ([POA 127](#))

Catalyst Working Group- Funding Priorities- Online Event organized by SCATDAO ([link to X](#))
