

The Beach Classic

Official 5v5 Sand Soccer Rules

The Beach Classic Rules follow the guidelines of FIFA Soccer Rules with the following exceptions:

Number of Players

Each team consists of 5 players, one of whom must be the goalkeeper. Substitutions are on the fly. The player being substituted must exit the field prior to the new player entering the field. Any less than 4 players will be considered a forfeit. Game time is forfeit time. Only players on the roster may play. All eligible players must be listed on the Good Lad Soccer - Beach Classic waiver/roster form; all players must have a parent signature if the player is under the age of 18. If the player is 18 years of age or older they may sign the form for themselves.

No player is allowed to be rostered or play on any two teams in the same age group or bracket. Players are eligible to play on any two teams in any one event as long as the two teams are in a different age group or different bracket.

The maximum roster size is 12 players for all age groups.

Proof of Age

The Beach Classic will accept any of the following:

- State association player card
- US Club Soccer card
- AYSO Card
- Copy of birth certificate
- Any school issued ID card with date of birth
- Driver's license
- Passport

Player Equipment

All players must wear the same colors to distinguish themselves from other teams. T-Shirts, jerseys, or beach wear will work! Shoes and shin guards are not allowed. Socks, beach soccer socks and tape are legal suggestions. All games will be played with a provided standardized beach soccer tournament ball. Jersey numbers are not required.

Referees

The referee is responsible for control of the game and his/her decisions regarding facts connected with play are final.

Conflicts

If a conflict should arise between two teams during a game, at any point, the referee, coach 1, or coach 2 can stop the game. When the game is stopped, both teams will be asked to go to opposite corner flags. At this point, tournament director (Gavin Carlin) will be notified and the conflict will be resolved.

Bookings

An addition from the 2021 & 2022 tournaments to cut down on yellow card offenses and keep the game moving with less fouls and stoppages. If a player is yellow carded he/she is subbed off for a 2 min "sin bin".

Duration of the Game

Three 10 minute periods with 2 minute breaks in between each period.

Win = 3 points

Loss = 0 points

The Start of Play

A flip of a coin decides which team will kick off. Each team must stay in its own half of the field and the defending players must be at least 8 yards from the ball when it is kicked. After a goal, the team scored upon will kick off. After halftime or periods end the teams change sides and the kickoff will be taken by the opposite team to that which started the game. In between period 2 and 3, the referee will again flip a coin. The team that wins the coin-toss will get the choice of side or kickoff.

Tie Game

In the event of a tie between two teams after the game is complete, the game will be decided by a sudden death penalty shootout.

In the event of a tie in the final match there will be a 3 minute golden goal period. If the game is still a draw then there will be a sudden death shootout to determine the winner.

Shootouts

All shootouts are sudden death. It is the referee's job to make sure that both teams, coaches, and spectators are all well aware that we are going straight to a sudden death shootout. A player shoots and misses and the player from the next team scores, the shootout is over, and vice versa. Shooters do not have to be on the field of play to participate in the shootout. Each player on each team must kick before any individual player kicks for a second time.

Offsides

There are no offsides.

Kickoffs

All free kicks including corner kicks are DIRECT. Kick-ins and throw-ins from sidelines are INDIRECT. Kickoffs are INDIRECT. Any ball played out of bounds on either touchline will result in a throw in or kick in for the team that did not touch the ball last.

On any free kick there is a 6 second rule. If the team awarded the kick does not play the ball in 6 seconds the other team will gain possession of the ball at the spot of the foul.

Restarts

An addition from the 2021 & 2022 tournaments to help with speed of play: players can kick-in from the ground or throw-in just like in regular soccer when the ball goes out of bounds along the sides. Players CAN NOT score from kick-ins or throw-ins from the sideline.

Goalkeepers

Goalkeepers may handle the ball anywhere within eight yards of their goal. Goalkeepers are NOT allowed to handle the ball if a teammate plays the ball back to them. Same as regular soccer on the grass, keepers must play with their feet if a teammate plays the ball back to them.

Goalkeepers must throw balls in for goal kicks. No punting is allowed. Goalkeepers may not throw the ball into the opposition's goal. If this takes place the opposing goalkeeper will be granted possession of the ball and no goal will be granted.

Headers

Headers are allowed in all age divisions.

Advancing To The Final

The tie-breaker rules are as follows:

1. Team with the most points
2. Head-to-head
3. Goal differential
4. Goals scored
5. Goals conceded
6. If still both teams are tied, we will host a sudden death shootout to decide a winner

Free Kicks (cone rule)

The referee will award a DIRECT Free Kick (from which a goal can be scored directly against the defending side) where a foul has been committed. The player who received the infraction must take the free kick.

Positioning of Players During Free Kicks

There will be no walls and opposing players must remain at least 5 yards away from the kicker. If the infraction is committed in the kicking team's defensive end of the court, an imaginary "no man's land" sector will be established from the point of the foul to each opponent's goal post. Players of both teams will remain outside of this zone until the Free Kick is taken. If the infraction is committed in the kicking team's offensive end of the court, players of both teams must position themselves behind, or on the same line as the ball placed at the point where the foul was committed.

NOTE: The above concept is meant to discourage fouls in the defensive end by awarding basically undefended (except for goalkeeper) direct free kicks. When taking a free kick, corner kick, or inbounds kick, a player may place the ball on the spot of the foul and make a small mound to elevate the ball's position.

Spectators

All participants and spectators must also abide by all rules set forth by the beach/park and city that the event takes place.

No games will be protested after the completion of the game. The referee and tournament director (Gavin Carlin) will have the final say on any disputes and will treat each situation in the fairest and most logical way.
