The Kamm Scholarship is open to rising senior students:

- majoring in the Economics and Business Department  
(Accounting, Business Administration, Economics, Finance, Finance Economics, International Business, Management Economics, or Quantitative Economics)
- preference given to students averaging a cumulative grade point of 3.6 or better at the end of the junior year
- preference given to students receiving financial aid
- with junior status if they expect to graduate within the next year.

Additional supporting information may be submitted with your application.

Please fill out the following table for unpaid community service or unpaid volunteer work you have done during the past three years. Note that the community service is not necessary to have been completed in the U.S. In addition, list leadership roles in the past three years.
