

Welded Bones Games RPG Maker MZ License Terms

[Donation Plugins]

Thank you for downloading this plugin! By using it, you agree to the following terms:

General Use

- **Personal Use:** This plugin is **free** for any non-commercial project.
- **Commercial Use:** A one-time payment of **\$4.99** is required for any project that is sold, monetized, or used in a way that generates income. This includes, but is not limited to, direct sales, in-game purchases, and crowdfunding campaigns (e.g., Kickstarter, Patreon).

Distribution & Modification

- **Redistribution is Strictly Prohibited:** You may not share, sell, or redistribute this plugin's files. The only authorized hosting location is the official distribution page at:
<https://welded-bones.itch.io/>
You **are** allowed to share links to this page, but you cannot re-host the plugin files yourself.
- **Modification:** You may freely modify this plugin for use in your own personal or commercial projects. However, you cannot redistribute the modified version.

Credits & Attribution

- **Required Attribution:** Any project that uses this plugin and is released to the public must include credit to the author.
- **How to Credit:** You can attribute the plugin to **Welded Bones Games** and link to the official distribution page in one of two ways:
 1. Directly within the final product (e.g., in a credits menu or splash screen).
 2. By including a copy of these license terms in a file within the project's folder.
