

Dear Paiza,

I hope you are well and are enjoying your visit to Highmark. I regret that I haven't yet had more opportunities to visit, or to get to know you better, but I hope to change that.

I, or rather we, have been invited, through my friend Mr. Braalk to attend a dinner part hosted by Lord Frederick Allard, on [date] at Griffin's Crest in East Crown. I would be very pleased if you could attend, however I do not know the other guests or who all will be in attendance, and will understand if you are wary of an unfamiliar crowd.

Otherwise, if there is a salon or other event where you might care for my company, please let me know and I will be pleased to place myself at your disposal.

Yours,

Firrin Malassar
