

# Privacy Policy and User Guideline for SpaceShooter 1990X:

## Privacy Policy:

At Cyber Industries, we prioritize the protection of your data and aim to provide transparency regarding our data collection practices. This privacy policy outlines the information we collect, how it is obtained, and how it is used within our game.

### 1. Collected Data:

- a. Username: We collect the username you provide directly during the registration process.
- b. Location Information: We gather general location data, which is imprecise and doesn't identify your exact whereabouts. This information is acquired through Microsoft's Playfab service.
- c. Device ID: We obtain a unique device identifier to facilitate game functionality. This is also provided by Microsoft's Playfab service.

### 2. Data Usage:

The collected data is utilized for the following purposes:

- a. Basic In-Game Features: We leverage this information to enhance your in-game experience, such as customizing gameplay settings or providing personalized content. You have complete control to enable or disable these features at any time.
- b. Historical Leaderboard: We use the gathered data to calculate and display a historical leaderboard. Please note that this feature is intended for entertainment purposes and is not essential to the game experience.

### 3. Data Security:

We rely on the security measures provided by Microsoft's Playfab service to protect and secure your data. As a third-party service, Playfab is responsible for implementing robust security features and safeguards to prevent unauthorized access or disclosure.

### 4. Data Retention:

We retain your data only for as long as necessary to fulfill the purposes outlined in this privacy policy. If you wish to have your data deleted, you can contact our support team, and we will initiate the deletion process with Playfab.

### 5. Updates to the Privacy Policy:

We may occasionally update this privacy policy to reflect changes in our data handling practices or legal requirements. It is recommended to review this policy periodically to stay informed about how your data is collected and used.

## **6. Contact Information:**

If you have any concerns, questions, or requests regarding your data or this privacy policy, please contact our support team at [cyberneton.fanarts@gmail.com](mailto:cyberneton.fanarts@gmail.com).

## **User Guidelines:**

We want all players to have an enjoyable and respectful experience while playing our game. By participating in our community, you agree to abide by the following guidelines:

### **1. Respectful Conduct:**

- Treat fellow players with respect, kindness, and courtesy.
- Refrain from engaging in any form of harassment, bullying, or discriminatory behavior based on race, gender, nationality, religion, or any other personal characteristics.
- Avoid using offensive language, hate speech, or any form of explicit or inappropriate content in usernames, chats, or interactions with other players.

### **2. Fair Play:**

- Play the game in a fair and sportsmanlike manner without exploiting or cheating.
- Do not engage in hacking, cheating, or using unauthorized third-party tools that give unfair advantages.
- Report any suspected cheating or unfair behavior to the appropriate channels provided by the game.

### **3. Privacy and Safety:**

- Respect the privacy of other players and refrain from sharing personal information without their consent.
- Do not engage in any activities that compromise the security or privacy of other players or the game itself.
- Report any suspicious or harmful behavior to the game administrators or support team.

### **4. Inclusive Environment:**

- Foster an inclusive and welcoming community where players from all backgrounds can participate.
- Avoid engaging in discussions or activities that promote discrimination, hate speech, or divisive topics.
- Encourage a positive and supportive environment by helping new players, sharing knowledge, and promoting fair competition.

### **5. Reporting and Enforcement:**

- Report any violations of these guidelines to the game administrators or support team using the designated reporting channels.

- Administrators will review reports and take appropriate action, which may include warnings, temporary suspensions, or permanent bans, depending on the severity of the offense.
