Shabbat Songs

There's a Dinosaur

There's a dinosaur knocking at my door, knocking 1, 2, 3.
Oh there's a dinosaur knocking at my door,
And he's come to have Shabbat with me.

First we'll light the candles,
Then we'll bless the wine, then we'll bless the challah
And we'll all have dinner together.

There's a dinosaur knocking at my door, knocking 1, 2, 3.

Oh there's a dinosaur knocking at my door,
And he's come to have Shabbat with me.

Up in my fingers, Up in my fingers
I've got a Shabbat feeling up in my fingers
And it feels so good

I've got that Shabbat feeling down in my belly
Down in my belly, Down in my belly
I've got that Shabbat feeling down in my belly,
And it feels so good
