

Derek's Joke

13-year-old Kid Asked His Dad Some Questions About Condoms. Dad's Answers Are Hilarious.

Father and his 13 year old son walk into the pharmacy. The son sees the boxes of condoms and asks: "What are these dad?"

And the father answers truthfully: "These, my boy, are called condoms. Men use them to have safe sex."

"Oh.. i see! the boy answers. They shown them to us at school, in the sex education class."

Then the boy looks at a packet with 3 condoms in it and asks: "Why does this one have only 3 in it dad?" "This, son is for high-school kids: One for Friday, one for Saturday and one for Sunday."

Then the boy looks at another packet that has 6 inside. "What about this one? Why does it have 6 in?" "This is for college students: Two for Friday, two for Saturday and two for Sunday."

Then the kid sees that packet with 12 inside and with great wonder asks: "And this one dad, with 12 inside?"

His father sighs and explains to him: "These my boy, are for married people. One for January, one for February..."
